Come and have your wedding at the award winning Alton Mill Arts Centre! Its designated heritage building and ruins are a beautiful place to experience your special day.

The Alton Mill Arts Centre has indoor and outdoor options for wedding ceremonies as well as breath-taking outdoor spaces for your wedding photography. Come and have your reception dinner in the charming Millrace Room with its interesting history and outdoor Waterfall Courtyard. You may choose to have your ceremony outside in one of three outdoor areas or in the Paul Morin Gallery beside the pond.

We can seat up to 100 people in the Millrace Room. For an outdoor wedding we can fit up to 160 people in the outdoor Annex Courtyard, which is a beautifully restored outdoor ruin. The rental of an outdoor Marquee tent is recommended in case of inclement weather.

We only have one wedding per day. Ceremonies can start any time after 4 pm, although drop off/set up can start at 10 am (ceremony start times can be negotiated if 4 pm is too late). Rehearsals on the day before your wedding can also be negotiated depending on pending contracts.

You can choose your own caterer or one from our list of recommended caterers. We have no corkage fee so you can also bring in your own alcohol (a source of significant savings).

PRICING
