

OUR COMMITMENT TO CLEAN – OUR COMMITMENT TO YOU

As we welcome you back to our hotel, we are committed to providing you with a safe environment that aligns with expert protocols for working to defeat COVID-19. Consisting of in-house and outside experts in food and water safety, hygiene and infection prevention, and hotel operations, Marriott's Commitment to Clean Plan is redefining our cleaning and safety standards. We will actively monitor and evolve our solutions to ensure a continued focus on the health and safety of our guests and associates.

PUBLIC SPACES

Starting with our public spaces and high-traffic areas, we are going above and beyond our normal protocols. We are cleaning surfaces with increased frequency, dedicated staff, and recommend cleaning agents.

HAND SANITIZER

Additional hand sanitizing stations are being installed at hotel entrances, front desk, all elevator landings, and meeting spaces.

SOCIAL DISTANCING

Signage in public spaces will remind our guests and associates to maintain social distancing. We will be adding partitions at check-in to provide an extra level of precaution for our guests and associates.

GUESTROOMS

We have elevated our rigorous protocols to thoroughly clean all surfaces with healthcare approved disinfectants, while placing a disinfecting wipe in each guestroom for your use.

CLEANING PRODUCTS

Marriott continues to mandate products with our trusted partner Ecolab, with solutions that have demonstrated effectiveness against viruses similar to 2019 Novel Coronavirus.

BONVOY MOBILE APP

Our Bonvoy mobile application provides reassurance and distancing options for our guests. Phones can be used to check-in, in addition to accessing your guestroom.
