Daniel Gagné

Founder Daniel Gagné has spent his life crafting impactful and memorable guest experiences. Certified from l'Institut de tourisme et d'hotellerie du Quebec, Daniel opened his own restaurant when he was just 20 years old. He then moved from Montreal to Toronto working in the hotel industry as a bartender, server and manager, which led him to work as a food and beverage controller for the airline industry in Canada and Europe, making him a master at culinary and customer service.

A professionally trained chef, but also entrepreneur, he's the city's most experienced event-staffng expert.

Your special day

When you've been picturing, sometimes for years, what you want *this* day to be, you've got expectations. You have a vision and there's no reason it can't be as extraordinary and memorable as you're hoping.

Whether it's your dream wedding, a milestone birthday party in the garden, or an anniversary dinner for some of your favourite people, we know social events. We know how to execute the details required to make your friends and family feel like it's *their* special day too.

Your complex event made easy

Large-scale music festivals. Healthcare foundation walks and marathons. The biggest cultural events in Canada. We understand the big thinking that goes into these, and we'll make your huge festival feel as easy to conquer as a backyard party. (We do those too.)

We've been tapped to manage the staffing at some of Canada's most amazing festivals including PRIDE Toronto, the Honda Indy Toronto, Toronto Fashion Week, Green Space Festival, TIFF and the Rogers Cup.

(Those people you see behind the bar at the country's largest festivals? Surprise, they're probably DGS staff.)

Need festival staff? This doesn't need to be hard. Let's start this conversation.
