Reviews

"The Enoch Turner Schoolhouse was the perfect venue for our mid-day wedding! It was absolutely gorgeous and the windows allowed for the natural light to pour in. The coordinators were also so incredible and understanding, on the day of they were also so helpful and on top of everything."

The space is truly STUNNING and was a feature in our day all on its own. When showing my photos everyone comments on how beautiful it is. All the guests also all commented how welcoming it was. Our Day Of Planner/My Sister was so grateful for the ease of set-up and easy collaboration!

I was happy to know I would be supporting the Ontario Heritage Trust. Dealing with this venue was stress-free. They were gracious, accommodating, and kind all the way through. I was especially thankful for the meeting I had with the event co-ordinator about a month before our wedding.
