From the calligrapher

I'M VANISHA SINGH NICE TO MEET YOU

Find me lost in the city of maple leaves. A place I call home. From down under, across oceans, my family and I packed up our lives in thirty-three boxes and took up residence in Toronto, Canada.

Call us CrazySinghs!

I was born in South Africa, raised in Zimbabwe and grew up in South Africa. I graduated from the Chartered Institute of Marketing (UK) with a honors degree in Marketing. I went through my twenties really quickly.

My enthusiasm, passion and creative hands have led me to "Find Me Lettering". A passion project, a business and a world where I can impact not just one life but many.

My favourite things in life include architecture, food and calligraphy, traveling and spending time with people who are my biggest supporters.

I'm proud to be a woman entrepreneur and a mother; both roles can be challenging at times, but are also incredibly rewarding!

What do I live by?

Do what you love and you will never have to work a day.

Calligraphy

Find Me Lettering offers live hand lettering events and workshops, seating charts, invitations, envelope addressing, place cards, table numbers, menus, signage, wax seals, quotes, chalk art, and personalized gifts.

I am a qualified marketer who has worked in the corporate world for 10 years before I deciding to risk it all and open my own business.

Shapes of fonts and calligraphy have always been a passion with no real intention of making it my own yet giving it a name.

Along this journey I have met some wonderful, creative, passionate, enthusiastic women entrepreneurs, whom I get to collaborate with and help them push boundaries and inspire others like myself.

So joining these ranks is an honor!
