The interior is visible through the glass, showing a warm, yellowish light. A person is standing in one of the glass-enclosed areas. Event Rental Package

The Gardiner Museum is a spectacular venue for any gathering with remarkable views of Queen's Park and the Royal Ontario Museum. Perfect for downtown meetings, spring showers, fall weddings and everything in-between.

The image shows a spacious, modern interior room with a high ceiling and a polished wooden floor. Large floor-to-ceiling glass windows wrap around the room, providing a clear view of a historic stone building with arched windows and a green roof. The room is empty, with a few small tables and chairs visible through the glass. The lighting is bright, with natural light streaming in from the windows and some recessed ceiling lights.

Terrace Room

The Terrace Room located on the third floor of the Gardiner Museum is a 1300 sq/ft space with floor-to-ceiling glass windows, two balconies and beautiful views of both Queen's Park and the Royal Ontario Museum. A modern space that can be transformed to suit your event needs. The Terrace Room can accommodate 140 for dining or a lecture style event and up to 250 for a standing cocktail reception.

A wide-angle photograph of a modern museum lobby. On the left, a white shelving unit displays various colorful ceramic vessels. The central area is a large, open space with a light-colored floor and white walls. A long, low display case is visible in the background, and a sign on the right reads 'Please Check-in with the front desk'. A glass display case in the foreground shows various items, including a bowl and a vase.

Main Floor Lobby

The Main Floor Lobby is available after regular museum hours Monday to Thursday and Saturday/Sunday. It is a great option to expand the capacity of your event and is often used in conjunction with a rental of the Terrace Room. Capacity varies due to curatorial installations.

Exhibit Hall

Available June – September.
The Exhibit hall is located on the Third Floor of the Gardiner Museum and is available only in conjunction with the Terrace Room. Combining the Terrace Room and Exhibit Hall for your event will create almost 5000 sq/ft of open space. This full Third Floor set-up can accommodate 250 for dining or a lecture style event and 300+ for a standing cocktail reception.

Front Plaza

The elevated Front Plaza on Queen's Park facing west is the perfect addition to a Spring/ Summer/Fall event. Expand your capacity for a cocktail reception on the Main Floor, or just enjoy a lovely Toronto evening. Fully licensed.
