PRODUCT OFFERINGS

Option 1: Ice Cream Cookie Sandwich Bar

Ice Cream Cookie Sandwich Bar

This is our most popular service. We setup a beautiful booth on-site, at your event and serve your guests. With this service, you purchase a set number of sandwiches for a set time frame.

Cookie flavours to choose from include; Chocolate Chip, Red Velvet, Skor Fudge, Pistachio, Birthday Cake, and Mango.

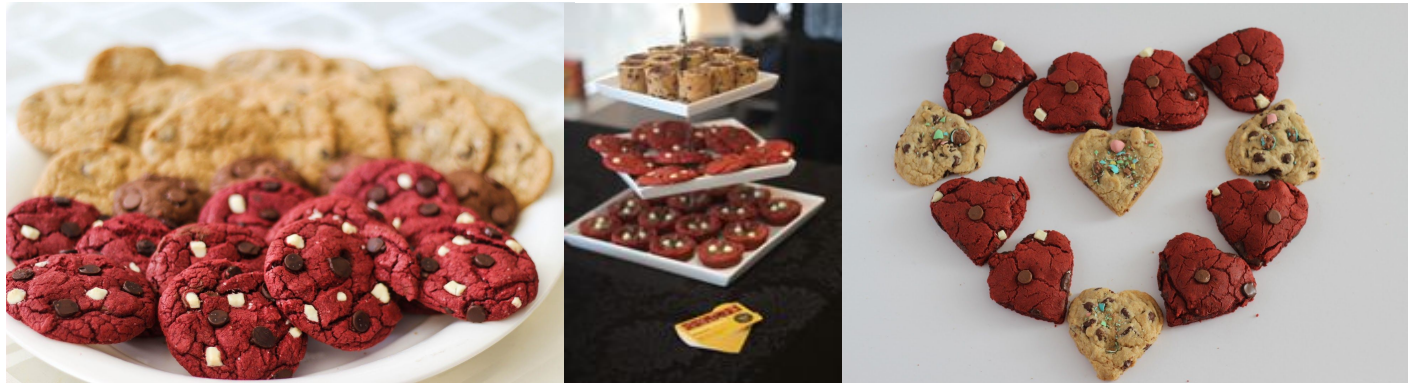

Along with the cookies, you are able to select any two flavours of Ice Cream. Our standard flavours include, Chocolate, Vanilla, and Strawberry. However, any custom or funky flavours are most definitely accommodated.

Toppings are unlimited and include, but not limited to, chocolate chips, coconut flakes, sprinkles, Cadbury chocolate, M&Ms along with Nutella and Caramel drizzles.

Displaying a clean and aesthetic look is very important to our brand. We work alongside our clients to ensure we are not crossing themes. All staff are dressed accordingly and ready to serve your guests with a bright smile.

Option 2: Cookie Platter

Another popular service is our cookie platter offering. With this service, you choose from our full product list which includes, Chocolate Chip, Red Velvet Nutella, Fudge Skor, Birthday Cake, Pistachio, Chocolate Chip Nutella, Red Velvet Brookies, and Mango.

We also offer heart-shaped cookies with any of our flavours as well mini options for select flavours.

With this service, we can arrange packaging in trays, ready to go. Alternatively, you may also order bulk and have your own packaging, for a more economical option. Minimum order with this option is 100 cookies.

Option 3: Cookie Shots

Cookie shots are cute little cookies moulded into shot glasses. We coat the inside which allows for pouring of milk (or Baileys). This option is very aesthetically driven as you can see from the pictures above. Very popular for weddings and engagement parties. Minimum order is 100 shots.

Option 4: The Showstopper

This option allows you to showcase a large 13” cookie topped with toppings of your choice. Most commonly purchased for birthdays. Serves between 16-24. Minimum order is one Showstopper.
