This is not our downtown museum location. The Hockey Hall of Fame's D.K. (Doc) Seaman Hockey Resource Centre is located within the Ford Performance Centre, a four-pad arena complex that also serves as the practice facility for the Toronto Maple Leafs, Toronto Marlies, and the offices of Hockey Canada. Spanning 18,000 square feet, it houses the Hall's extensive artifact and archival collections, serving as a central hub for research into Canada's iconic game and cultural export. The facility also includes a modern, versatile theatre, perfect for various meeting and reception formats.
