Surrounded by shimmering water, lush greenery, and your closest loved ones — it's a breathtaking setting to say "I do." At the Island Yacht Club, we believe your wedding should reflect your unique story. Our dedicated team works closely with you to design a fully personalized celebration, complete with meaningful details and unforgettable moments that bring your vision to life.

### Vows at the Ceremony Grounds

Exchange your vows surrounded by nature at the water's edge — a breathtaking outdoor setting that offers a stunning, romantic backdrop for your "I do's."

### Cocktail Reception on the South Grounds or Front Deck

Choose from two beautiful waterfront locations, each overlooking the grounds and docks. Whether on the South Grounds or the Front Deck, your cocktail hour will be set against a magical lakeside view — the perfect way to toast your new beginning.

### The Canopy Tent & South Grounds

Located on the south front lawn, this natural outdoor setting offers unobstructed views, neutral décor, lush potted flowers, and romantic twinkling lights. It's an idyllic choice for couples dreaming of an elegant outdoor dining experience.

### Inside the Clubhouse

The Clubhouse features striking modern architecture with warm wood tones, skylights, and floor-to-ceiling glass windows. Guests enjoy first-class cuisine while feeling immersed in nature's beauty.
