# Who We Are

JC's Banquet was born out of passion for providing great service and exceptional food. In 2005 it all began with the organization of our very first event, The Francis' 50th Wedding Anniversary.

Since then we have been helping families celebrate all their milestones. From birthdays to weddings, baby showers, anniversaries and back again we are there for every event. We would like to welcome each of you into our place and encourage you to feel right at home.
