ABOUT US

We are a creative floral and event design studio based in Toronto, established in 2024. Each team member has a background in visual merchandising, floral art, and event planning and design. We specialize in crafting unique floral arrangements and stylish event décor. Our mission is to blend artistry with Practicality, creating designs that are both visually stunning and meaningful.

Bridal Bouquet

The bridal bouquet was crafted with hand-tied flowers. At each bouquet's bottom, We specifically wrapped it with a ribbon to make it easier for the bride to hold.
