

DOODLEBOT

Are you seeking a unique, interactive experience to impress your guests at your next conference or work event? LOL Photo Booth's AI DoodleBot rental services in Toronto and the GTA offer a cutting-edge way to entertain and engage everyone in attendance.

Our AI DoodleBot is an intelligent, artistic robot designed to create custom digital sketches of your guests in real-time. It blends the latest advancements in artificial intelligence and creativity, making your event both tech-savvy and fun.

Perfect for corporate events such as conferences, the AI Doodlebot is a sure way to make your occasion unforgettable.

Data is King

Collect Data and Analytics

Gain Valuable Insights Into Your Events

Here's an overview of what you can do:

We capture a variety of statistics, including:
 Total shares: email, text, social media, downloads and prints.

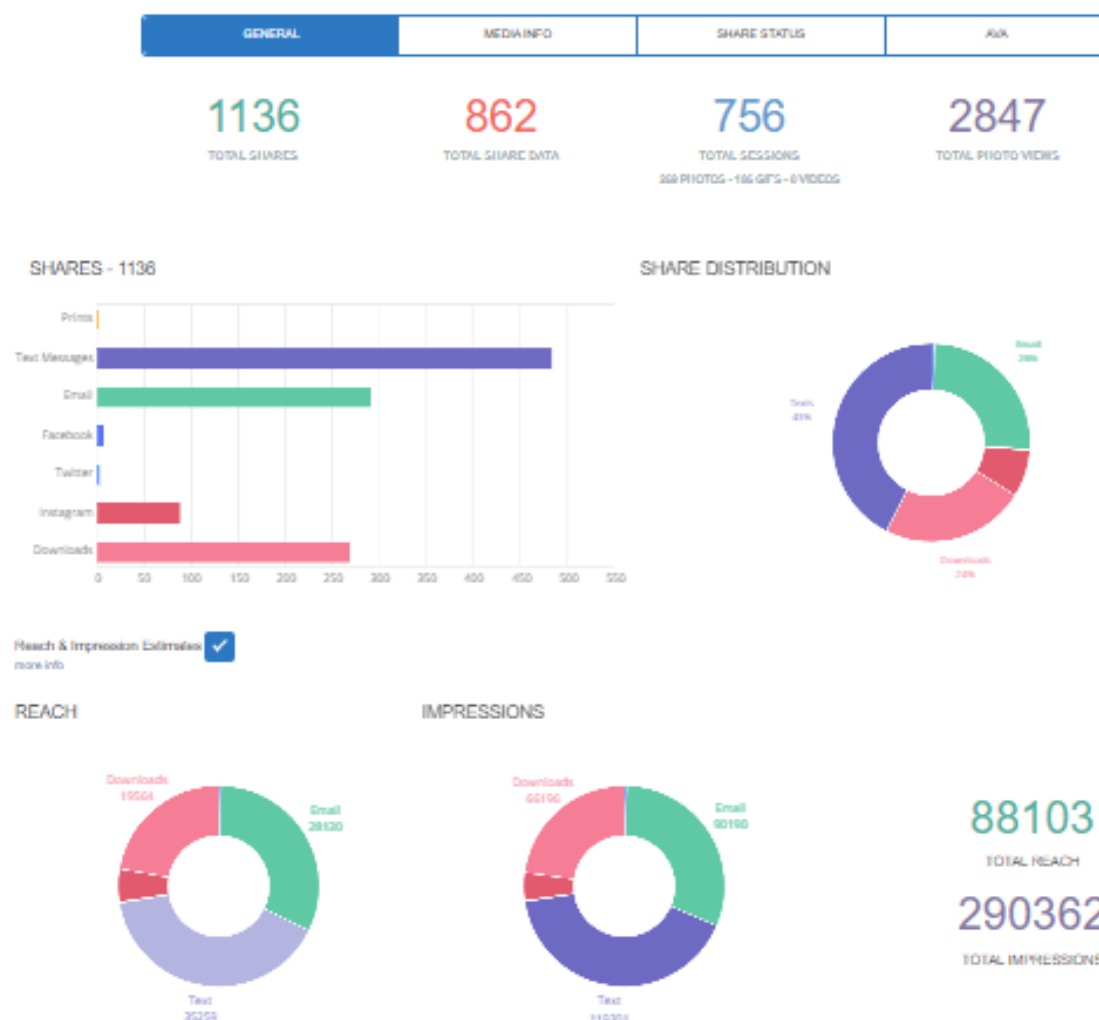

Media Info: You can see the most viewed, recent photos/GIFs, and a photo timeline showing busy periods.

Share status: This shows how guests are sharing their content.

Data collection: You can set up surveys to capture custom data from your guests.

Real time data: You can have access to all these in real-time.

Add this feature with your next booking for only \$500
