at mansfield

IN COLLABORATION WITH THE MUSEUM OF DUFFERIN COUNTY

Host your ceremony at the historic Corbetton Chapel built in 1885 and then drive a short 10 minutes north on airport road to host your wedding reception at the Field Centre.

Tucked in snowy woods, the Field Centre is an intimate winter wedding haven. With hardwood floors, south-facing windows, and a rustic, relaxed vibe for up to 60 guests, it's the perfect backdrop for seasonal food, warm drinks, and heartfelt connection—winter wedding simplicity at its best.

MAKE IT A WEEKEND

Included in your winter wedding package is overnight accommodation right inside the Field Centre.

With rustic, dorm-style bunk rooms, you and your guests can stay on-site, enjoy a late-night laugh by the fire, and wake up together to forest views and fresh coffee.

Guests will need to bring their own bedding (sleeping bags or linens), but everything else is taken care of. It's a simple, cozy, and budget-friendly way to turn your intimate wedding into a full weekend of fun and memory-making with your nearest and dearest.

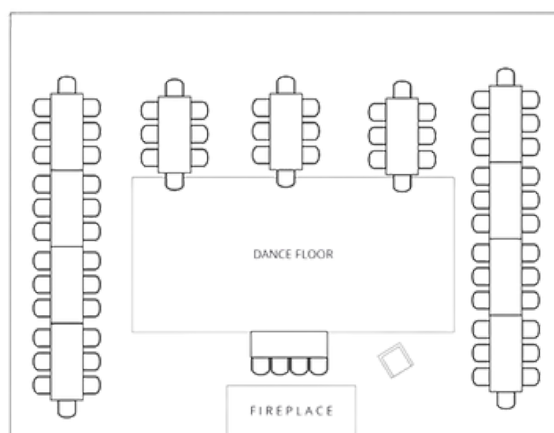

THE FIELD CENTRE

Tucked away in the forest, the Field Centre is Mansfield's signature event space for gatherings of up to 86 guests. With floor-to-ceiling forest views, south-facing windows, a wood-burning fireplace and a wrap around patio it's a warm and inviting backdrop for celebrations in every season. This restored building is now a beautiful location to host a wedding.
