**Meeting Rooms & Event Space**

# Welcome to the neighbourhood

Merge Spaces is founded on the idea that not everyone wants to work at home. People love the flexibility of not going into the office, avoiding the 9-5 grind and cutting out the commute — but the monotony of the same thing every day can get tiresome.

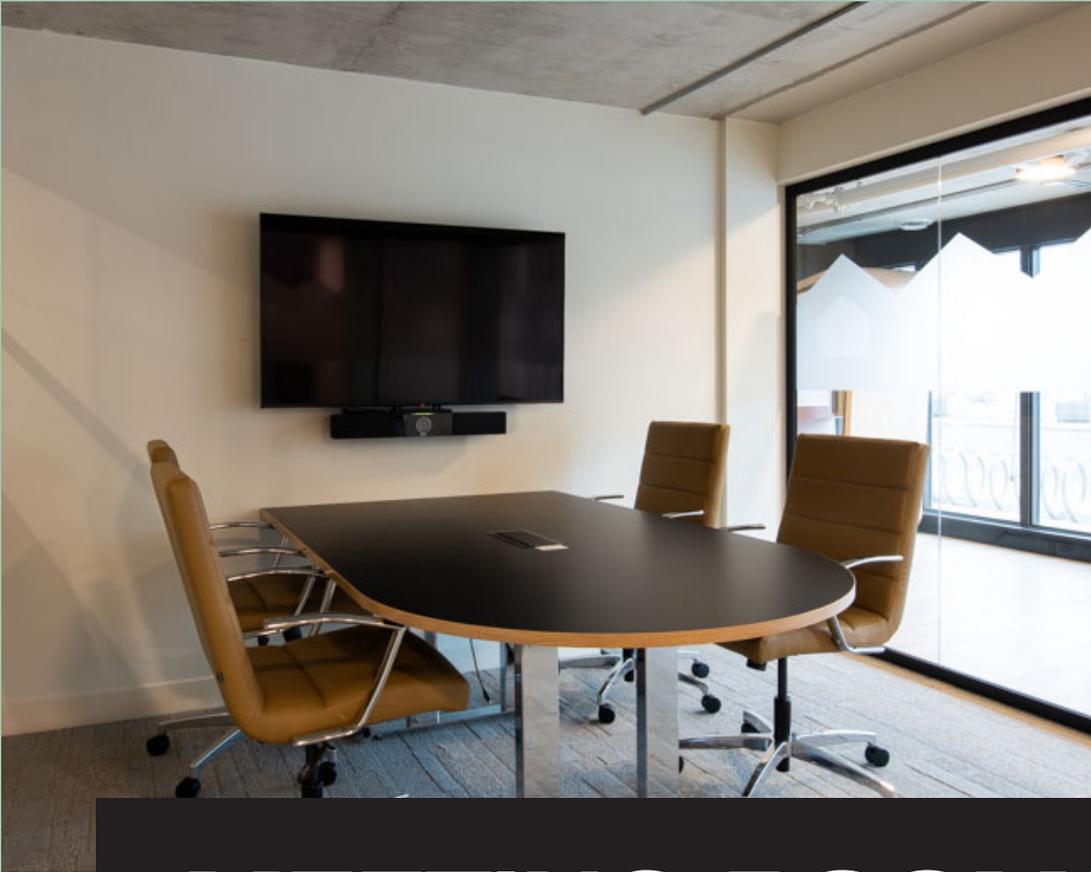

We're merging the best that WFH has to offer — snacks, games, privacy and flexibility — with the sense of community and collaboration you get at an office.

We want to be **THE** creative business hub of South-West Scarborough, where members collaborate and innovate right in their own neighbourhood.

## See you soon!

# MEETING ROOMS

Need to host a meeting, brainstorm session, one-on-one or team building in the East end of Toronto? We have what you need and more! Our on-site team will greet guests, set up your room and make sure everything goes without a hitch! All three spaces are available for hourly, half-day and full-day rentals, so you can choose the one option that works best for your needs.

A conference room creates a quiet environment without distractions, which allows everyone in the room to focus. Not only that—you'll be able to hear one another too. You can get down to business with ease without the distractions and noise in the shared space!

Deliver better hybrid meeting experiences!

**From \$30**

The Treehouse presentation space is an intimate vibe. The perfect venue for a seminar, team building, public-speaking presentation, private or recreational event. It can be booked for half or full-day options.

Hosting your event in a space that engages and stimulates your audience is crucial to a successful event, and one that will have your guests talking about your party for years to come is our Treehouse venue. Find lush green moss walls and colourful murals throughout the space. The amphitheatre seating is a stunning place to hang out during announcements or speeches.

Included with the Treehouse space is our lovely Clubhouse which includes ping pong or pool table, video games, boardgames and a couple of comfy couches to relax.

**Ideal for up to 100 people**  
**From \$1,000**
