

A full-page photograph of a bride and groom smiling joyfully. The bride is on the left, wearing a white veil and a strapless wedding dress, holding a bouquet of red and pink flowers. The groom is on the right, wearing a dark blue suit with a light blue shirt and a dark tie. White flower petals are falling all around them, creating a romantic and celebratory atmosphere. The background is softly blurred, suggesting an outdoor wedding venue.

### IT'S PERFECT FOR AN INTIMATE WEDDING

The romantic dining room, flawless service, impeccable attention to detail, delicious food and great ambiance make our venue a top choice for Toronto couples. If you prefer to have a personal and intimate wedding, Sassafras is the ideal choice for your big day. Depending on the size of your guest list, you can book a private room or reserve the entire restaurant.

### SUPERB CUISINE AND PROFESSIONAL SERVICE

We're passionate about offering a personalized food experience that you and your guests won't forget. All wedding cuisine is handled in-house by Executive Chef Geoff Webb. Our menu focuses on market-fresh ingredients, and our cuisine is cooked "on demand," which means your guests can choose from a custom menu. The dishes on our event menus are identical to those on our à la carte dining menu – same plate, same presentation, same taste. Our bartenders and wait staff are all highly trained service industry professionals.

### SAVE ON THE VENUE RENTAL FEE

Sassafras does not charge a rental fee, eliminating a significant cost from your wedding budget (minimum food and beverage spends apply).

### SHOW OFF YOUR STYLE

You want to make your wedding personal for

your guests. Sassafras has a simple and elegant décor that can stand alone or act as a canvas for your own personal style and taste.

### A SINGLE LOCATION – RAIN OR SHINE

There are many reasons to host your wedding ceremony and reception in a single location – the weather (think about your hair!) is just one of them. As well, guests won't need to travel between locations and neither will your wedding party, allowing you to spend more time with family and friends. You can also have a later ceremony because you won't need as much time to transition between the ceremony and reception venues.

### HOST A ROMANTIC WINTER WEDDING

Sassafras boasts a living garden wall, complete with live orchids and spectacular greenery. It provides an impressive backdrop for dinner, speeches and photographs in any season.

### A MID-DAY WEDDING IS AN OPTION

Booking a mid-day wedding can be both time-efficient and cost-effective. If you book a lunch wedding, you'll enjoy the same fabulous food and ambiance but your overall spend will be lower.

### RELIVE THE MOMENT

Imagine returning to the place where you shared your first moments as a married couple to relive the magic over and over again. Many of our returning wedding couples request "our table" for an anniversary, a birthday celebration or a romantic night out.
