A VENDOR INTRODUCTION FOR GTA'S LEADING EVENT & WEDDING PLANNERS

OUR STORY

The art of a perfectly crafted moment

Sorellé began with a simple idea: dessert should be considered as carefully as every other detail of the day. Each popsicle is handcrafted in small batches using 100% natural ingredients — real fruit purées, premium chocolate, and house-made gelato bases, with no artificial colours or flavours.

What started as a boutique gelato studio has become one of the GTA's most requested wedding experiences: a fully staffed, beautifully designed cart that turns dessert service into a moment guests stop to photograph.

We don't just deliver a product — we deliver an experience tailored to match your client's aesthetic. From a soft ivory bicycle cart with a fringed umbrella, to a striped vintage-inspired design, to a fully custom wrap in the event's colour palette.

Weddings remain at the heart of what we do — but Sorellé is just as at home at a bridal or baby shower, a milestone birthday, or a corporate celebration. Anywhere a beautiful, memorable dessert moment matters, we're glad to be there.
