782+786 King Street West: The Perfect Location

We are just a short 10 minute streetcar ride down King Street from St Andrew subway stop, which is steps from the central transit hub of Union Station.

Our central location is perfect for all types of guests - close to the subway as well as the waterfront highways and yet just outside the busy traffic of the financial core.

Underground paid parking is available across the street in the 775 King West Minto condos and our hosts and guests can also find parking on King Street in front of the building.
