

Canada's Premium Venue

STEAM WHISTLE EVENTS PACKAGE

WHO WE ARE

STEAM WHISTLE BREWING

The historic John Street Roundhouse once served as the Canadian Pacific Rail Company's repair facility, home of the Steam Locomotives that connected our nation. Today it's writing a new chapter of Canada's history as the home of Steam Whistle, named for the inspirational sounds of steam rushing from factory whistles, signaling the end of a fulfilling workday and a time for reward. Born at the Roundhouse, Steam Whistle honours an era of quality craftsmanship, using four all-natural ingredients to brew Canada's Premium Pilsner.

At Steam Whistle Brewing, we live by our motto: Do one thing really, really well. This singular focus means we have the time and opportunity to aim for perfection.

STEAM WHISTLE EVENTS

Steam Whistle Events at the Roundhouse provide a unique opportunity to host your next unforgettable experience at the foot of the iconic Toronto skyline. You can count on a seamless event in any of our six stunning event spaces; Locomotive Hall, Pilsner Hall, The Tap Room, The Mezzanine, The Station Room, and The Steam Whistle Kitchen.

Situated in one of Toronto's oldest historic landmark buildings, our venues are where rustic elegance meets the electric downtown core. Exposed bricks, hand hewn beams, 30-foot ceilings and abundance of natural light will provide the perfect backdrop for your guests' comfort and enjoyment - All while being steps away from the GO Station, Up Express, the MTCC and exceptional hotels.

You already know how amazing Steam Whistle beer is, now experience how awesome your event will be in Steam Whistle event spaces.
