## ABOUT THE BAND!

The Dreamboats are bringing back good ol' Rock n' Roll! With a sound that is equal parts Chuck Berry and The Wonders, this quartet of handsome Canadian boys delivers a high energy, nostalgic show that has audiences singing and dancing the night away!

What brings these four young men together to play music from decades before their time? A true passion for an era when ice cream cost a quarter, milk was delivered to the door, and people danced to live music! The Dreamboats are bringing it all back with their rockin' guitars, matching suits, soaring harmonies, and contagious dance steps!
