HENLEY
ROOM

TRUSTED VENDORS

Planning an event can be a big and daunting task. To make things a little easier for you we've put together a list of vendors that are not only the best in each of their individual fields, they're also familiar with the space here at The Henley Room. Feel free to contact any of the vendors listed here, and mention we sent you along.

Aside from our exclusive agreement with Chair-man Mills, there is nothing in stone with regards to which vendors you must use. However when it comes to caterers there may be an additional kitchen use fee that applies to help maintain the space.

SELECTING THE FOOD

At the Henley Room we don't limit our clients selection when it comes to their food. While we may not be able to directly quote you on a menu cost, we can put you in touch with a variety of chefs that make great food, provide top notch service and fit a variety of budgets. Feel free to contact any of the following food vendors and let them know you're looking at booking The Henley Room.
