Being on the water with family and friends can't get much better. Unless you've got a great selection of beer on hand. The Henley Room believes in supporting local, so we're sure to stock the best Ontario has to offer. That being said, we also recognize the great options that come from around the world.

THE BAR EXPERIENCE

Our event coordinators have hosted quite a few weddings over the years and have pulled together the following to help you understand our approach to putting on an event to remember.

The Guest Experience: Our bar team's ultimate goal is to ensure you and your guests have a memorable and enjoyable time. We pride ourselves on offering one of the city's best event venue bars, featuring a wide selection of beverages. Our staff prioritize your guests' safety and reserve the right to slow down or refuse service if needed, ensuring everyone can enjoy the evening responsibly and safely.

Bar Hours: Our bar service begins after your ceremony and provides up to six hours of service, allowing the bar to stay open until as late as 1 a.m. This gives you and your guests plenty of time to enjoy drinks, celebrate, and make lasting memories. Additional hours can be added to any bar package. Additional hours are priced at $10 per guest, per hour, making it easy to customize your event to fit your timeline and budget.

No Shots, Just Cheers: We keep the good times flowing with delicious cocktails, beer, wine, and plenty of bubbly but no shots here! It's all about celebrating together, one sip at a time. For the comfort and safety of all guests, bar service does not include shots.

Champagne Toasts & Towers: If you live for the drama of it all, we offer champagne toasts and towers at an additional cost due to the increased service setup and rental requirements.
