

## **The Jade Monkeys: Testimonials**

### **Weddings**

**“What a night!!!** Where do I begin in talking about how awesome this band was at our wedding!!! They were amazingly easy to work with and absolutely rocked all night! Shiraz was an absolute pro. He was always available to talk ahead of the wedding and made sure the music and sound went smoothly all night. They surprised us with an acoustic performance during the cocktail hour, which was amazing as well.

They played a ton of songs that we had requested and had a great line up songs for in between sets. They got a good read of the crowd and kept the dance floor rocking.

I would 100% recommend them to anyone who wants to have an awesome dance floor at their wedding. Our friends can't stop talking about them.

Thanks to you and the rest of the boys in the Jade Monkeys. You really made our night extra special!” Rob & Katie, ROYAL CANADIAN YACHT CLUB

**“THANK YOU THANK YOU THANK YOU!**

You guys rocked the roof off our wedding and we are so grateful! Your flexibility with us and the weather was beyond appreciated! Your entire band is so incredible...the feedback we have been getting is amazing. Thank you again - you made the whole day extra special!! You've made 240 fans for life!” M&L, BLUE MOUNTAIN RESORT

“We had been meaning to drop you a line, to let you know we thought you guys were beyond awesome, and really made the day and night for us, we feel so lucky we had such stellar musicians with such a great set list and such a positive attitude at our wedding, and we really appreciate everything else you and the band did around the actual live set to make it such a great day from ceremony to cocktails to the reception! Thank you so much!” N&J, MUSKOKA

“Thank you for your help in creating a special and memorable wedding day for Julie and Steve this past Saturday. Your professionalism, patience and flexibility with the last minute changes on Saturday regarding pool access for setup, and then the challenge of the weather...did not go unnoticed, and was appreciated more than you will ever know. The wedding would not have been the same without you, your band and your crew and for that I am truly thankful. It was a pleasure working with you and I look forward to working with you again!” SIMPLY PERFECT WEDDINGS, TORONTO
