ATLANTIS

COFFEE – DRINKS – MUSIC

Atlantis, located in Parkdale Hall, is not only a delightful spot to savor exceptional coffee but also a venue for singer-songwriters to showcase their music or warm up their voices for our esteemed guests.

During major Parkdale Hall Events, this versatile space transforms into a central bar or a charming cafeteria.

A photograph of a commercial kitchen. In the foreground, there's a stainless steel prep table. To the left, a large piece of equipment, possibly a slicer or shredder, is partially visible. In the background, there's a stainless steel sink with a faucet, a paper towel dispenser, and a metal shelving unit filled with various kitchen supplies like jars, bottles, and containers. A large stainless steel range hood is mounted above the counter. The right side of the image is overlaid with a semi-transparent dark grey box containing white text.
