Things to Know Not-so-Hidden Fees

Few things are more annoying than discovering that your carefully-curated event budget has been sidelined by a slew of previously-invisible fees. We prefer to keep things simple, ethical, and totally transparent. We mention the unmentionables so that the focus remains on your event itself, and not on budgetary surprises.

In addition to those covered within your base rental event package, your unique event may be subject to the following additional expenses:

- **Music Licensing (SOCAN, Re:Sound)**
\$40-\$85; depending on degree of music and dancing involved
- **Liability Insurance**
\$60-\$170; depending on alcohol requirements
- **Landmark Fees**
10% of final catering bill (excluding rentals) for Preferred Caterers
15% of final catering bill (excluding rentals) for Outside Caterers
