THUNDERBIRD FARM

WHAT HAPPENS WHEN A INTERIOR DESIGNER/EVENT PLANNER (LAURIE) & A RENOVATOR/PHOTOGRAPHER (BROOKS) BUY A FARM?

Welcome to Thunderbird Farm!

Hi I'm Laurie. For over 20 years, Brooks and I have been fortunate to wear many hats, working in a variety of different industries including the renovation/design, photography, hospitality and wedding industry. We have hosted multiple parties and events, are hosts of a short-term vacation destination and have tackled a ton of renovation projects, which includes our biggest project to date, Thunderbird Farm. **In October 2022, we purchased the farm and our dream has always been to host weddings.** With the renovation of the farmhouse complete, we're now focusing on updating the Thunderbird Barn, Carriage House, and other spaces to create a full-suite wedding destination. We can't wait to start hosting weddings in 2024 and help make your special day unforgettable.

WE WOULD BE HONOURED FOR YOU TO CONSIDER THUNDERBIRD FARM FOR YOUR BIG DAY.

WE KNOW WEDDING PLANNING CAN BE A LOT, SO WE ARE HERE TO HELP.

We're here to help make your special day as memorable and stress-free as possible. That's why we offer **event coordination** to ensure that important details are taken care. Let us help with the logistics so you can focus on enjoying your big day.
