

Mixin' & Mingling

The Virtual Essentials of Cocktails

MIXIN' & MINGLING | SUMMER 2020
VIB.EVENTS | 416.846.4336 | BOOKINGS@VIB.EVENTS

Mother Nature is determined to interfere with our social opportunities, but she underestimates just how determined we are!

“Mixin’ & Mingling” Mixology Events can be held virtually with as many participants as you wish (although we recommend a maximum of 20).

Or, speak to us if you are ready to host an event in your physical space.*

*Price varies for home-based events

What is *Mixin’ & Mingling*?

It is the ability to learn the essentials of cocktail-making without having to leave the comfort of your own home!

It is feeling like a guest at your own party where we take care of all the details and you simply show up (and log in if a virtual event).

It is the opportunity to connect with your community, be they friends, family or colleagues, in a fun, creative and (dare we say it?) productive way.

Quite simply, it is a workshop where we take you through the art of *mixin’* cocktails and then you *mingle* with your guests.
